## PermaLife SoftStuff™

SoftStuff is the Safest  
Playground Surfacing  
Available Anywhere!

SoftStuff is so safe, it's the **ONLY**  
playground safety surfacing to  
exceed TÜV USA testing  
lab's capabilities! TÜV SÜD USA, July 2010

IPEMA Certified (ASTM F1292-09),  
ADA Certified (ASTM F1951),  
& the **Best** HIC Rating

Exclusive cryogenic processing  
& integrated Microban®  
antimicrobial protection

4" depth for up to 10 feet of fall safety;  
6" depth provides 17+ feet of the **SAFEST**  
fall height protection available anywhere

Also available: SportsFill™, Equestrian & Landscape Mulch

Proud to be the only company to  
post our entire Test Data online,  
proving how safe SoftStuff  
really is, particularly  
when compared  
to **ANY** other  
products
